In addition, our museum will hold **Teacher's Day** on 5 July 2024, aiming to provide a platform for teachers, museum curators, and educators to learn from each other and foster a comprehensive understanding of teaching and learning strategies. Teacher's Day offers activities such as talks on programme overview, introductory sessions on teaching plans, guided tours, programme demonstrations, and artist workshop etc. Teachers with successful registration can visit all galleries without purchasing additional tickets during the museum's opening hours on the event date. The programme will be open for application on [Teacher Programmes](#) webpage on 7 May 2024. It is free of charge and is available on a first-come, first-served basis. Teachers are welcome to reserve their time for attending the event.
