Dream Rooms: Environments by Women Artists 1950s–Now presents the works of trailblazing women artists whose environments made a lasting impact on the history of visual art, illuminating artworks of the present and offering glimpses into the future. It spans several generations of artists from Asia, Europe, and North and South America, presenting full-scale reproductions of each work. These reconstructions are as close to the originals as possible, developed through research and collaboration with experts and the artists themselves. This exhibition will open to the public from 20 September 2025, **tickets² are priced at HKD190 for standard tickets and HKD100 for concession tickets¹, inclusive of access to all exhibitions.**
