# Different Users

Welcome to M+! We are a museum of visual culture. We bring different people together to make connections and share ideas.

Have you ever imagined that going to a museum is like visiting a shopping mall? There is so much to choose from, it is hard to know where to start! In M+ there are many different galleries and objects to look at. Let's start with one kind CHAIRS!

Visit our East Galleries for chairs in this zine and pick your favourite. Do you think everyone will choose the same chair?
