M+ 踏入營運第二年，自開館以來迎接了將近 520 萬名訪客；2023 年的訪客人數多達 270 萬，其中 41.6% 來自內地，15.3% 來自世界其他地方。2023 年初，《藝術新聞》將本館列為 2022 年亞洲參觀人數第二多的藝術博物館，以及全球最受歡迎的博物館第十八位，我們對此深感自豪，亦感謝本地及國際訪客對於亞洲首間當代視覺文化博物館 M+ 的鼎力支持。

與防疫相關的旅遊限制解除後，香港重新對外開放。2023 年 3 月，首屆西九文化區藝術週順利舉行，M+ 迎接了逾 800 名來自國際博物館界的貴賓與行內人士，還有疫情結束後首批到港的國際藝文傳媒。9 月，M+ 主辦首屆專為中國內地及澳門當代藝術館和藝術中心代表而設的交流計劃。上述種種均體現 M+ 竭力履行在亞洲推廣當代視覺文化的使命，並致力加強香港作為東西方文化交流樞紐的定位。

回顧這一年，我們舉辦了多個廣受好評的全新展覽，包括第 59 屆威尼斯視藝雙年展的回應展「徐世琪隆重呈獻：宇宙最強之懸浮者——Lauren O」，這亦是首次在 M+ 館內舉行香港參加威尼斯視藝雙年展的回應展；「宋懷桂：藝術先鋒與時尚教母」是全球首個以宋懷桂為主題的博物館展覽，這位傳奇人物塑造了 1980 年代至 2000 年代中國的藝術、時尚和流行文化面貌；「希克獎 2023」展出了六位入圍藝術家的作品；「M+ 希克藏品：別傳」是 M+ 希克藏品的第二場展覽，此乃全球最大規模、最豐富全面的中國當代藝術藏品之一；還有「嚶嘔：虹虹虹」，此展覽聚焦於日本藝術家嚶嘔的創作，並為全新推出的專題展覽系列揭開序幕。本館的首個特別展覽「草間彌生：一九四五年至今」圓滿落幕，參觀人數多達二十八萬人次；展覽隨後移師畢爾包古根漢美術館展出，錄得超過五十八萬參觀人次，創下該館歷來夏季最高的參觀紀錄。

我們非常感激年內各贊助商、合作夥伴及捐贈人士的支持。自 2023 年 3 月起，合院展廳更名為包陪麗、渡伸一郎展廳，以表彰兩人的慷慨捐贈。滙豐銀行繼續是我們的領銜合作夥伴，同時我們很榮幸 CHANEL 成為 M+ 的主要夥伴，自 2023 年 7 月起冠名支持 M+ 流動影像主策展人一職，並支持 M+ 戲院的精選節目。適逢 2023 年為中國改革開放四十五周年，「宋懷桂：藝術先鋒與時尚教母」是首批獲香港特別行政區文化藝術盛事基金資助的項目之一。

經歷了全球疫情，以至最近步入復常階段，入境旅遊得以恢復，我在此衷心感謝 M+ 博物館館長華安雅及其管理團隊領導我們披荊斬棘。M+ 的發展比預期更蓬勃，主要歸功於他們的高瞻遠矚和全心投入。我們誠摯感激香港特別行政區政府、西九文化區管理局、M+ 董事局不輟支持，亦感謝各贊助商、夥伴、贊助人、捐贈者及會員。我也在此向過去一年為博物館竭誠付出的 M+ 全人致謝。期望來年 M+ 繼續豐富香港、亞洲以至世界各地的文化景貌。

In M+'s second year of operation, we saw approximately 5.2 million visitors since opening and more than 2.7 million visitors in 2023 with 41.6% from mainland China and 15.3% from the rest of the world. We are immensely proud that the museum was recognised by *The Art Newspaper* in early 2023 as the second most-visited art museum in Asia and the eighteenth most popular museum in the world in 2022. We are grateful for the strong support of local and global visitors to the first museum of contemporary visual culture in Asia.

When Hong Kong fully reopened to the world following the lifting of pandemic-related travel restrictions, M+ welcomed over 800 guests and colleagues from the international museum community and the first batch of international arts media during the first West Kowloon Cultural District Art Week in March 2023. M+ then hosted the first exchange programme for representatives from contemporary art museums and art centres in the mainland and Macau in September 2023. These were the occasions where M+'s mission of promoting contemporary visual culture in this part of the world and strengthening the strategic positioning of Hong Kong as an East-meets-West centre for international cultural exchange is realised.

The year in review saw the success across a number of well-received new exhibitions, including *Angela Su proudly presents: Lauren O—The Greatest Levitator in the Polyhedric Cosmos of Time*, the first response exhibition to Hong Kong's presentation at the 59th International Art Exhibition of La Biennale di Venezia staged at M+; *Madame Song: Pioneering Art and Fashion in China*, the world's first museum exhibition dedicated to Song Huai-Kuei, the icon who transformed the landscape of arts, fashion, and popular culture in China from the 1980s to 2000s; *Sigg Prize 2023* exhibition, which showcases the works of six shortlisted artists for the award; *M+ Sigg Collection: Another Story*, the second exhibition of the M+ Sigg Collection, one of the largest and most comprehensive collections of contemporary Chinese art in the world, and *Ay-O: Hong Hong Hong*, which highlights the practice of Japanese artist Ay-O to inaugurate the new series of focused monographic exhibitions. The museum's first Special Exhibition *Yayoi Kusama: 1945 to Now*, concluded with 280,000 visitations at M+, followed by a touring exhibition to the Guggenheim Museum Bilbao receiving over 580,000 visitations, the best summer visitation in the museum's history.

We are very grateful for the support from all the sponsors, partners, and donors throughout the year. In recognition of the generous donation by Cissy Pao and her husband Shinichiro Watari, the Courtyard Galleries have been named the Cissy Pui-Lai Pao and Shinichiro Watari Galleries since March 2023. While HSBC continues to be our Lead Partner, we are delighted that CHANEL has become our Major Partner since July 2023 and is supporting a lead curatorial position dedicated to M+'s moving image programmes as well as selected M+ Cinema programmes. *Madame Song: Pioneering Art and Fashion in China* became one of the first few projects launched with the support of the Mega Arts and Cultural Events Fund of the Government of the Hong Kong Special Administrative Region as we mark the 45th anniversary of China's reform and opening up in 2023.

I would like to thank Suhanya Raffel, Museum Director, M+, and the rest of M+ management team for their leadership throughout an undoubtedly challenging period during the pandemic and the recent phase of recovery and inbound tourism. M+'s development, which has been more robust than predicted, can be largely attributed to the vision and dedication of these leaders and their teams. We are grateful for the ongoing support of the HKSAR Government, the West Kowloon Cultural District Authority, and the M+ Board, whom I would like to thank along with our sponsors, partners, patrons, donors, and members. I would also like to thank all the M+ staff for their hard work and devotion in the past year. We look forward to another splendid year ahead during which the museum will continue to transform the cultural landscape in Hong Kong, Asia, and beyond.

藝術廣場滿佈來 M+ 觀賞展覽和參加活動的訪客。  
M+ exhibitions and events drew crowds to Artist Square.

M+ 踏入兩周年，作為一間嶄新的亞洲以至全球視覺文化博物館，我們在開幕的第二年間推出了一系列精心策劃的展覽和節目。自 2021 年 11 月開幕以來，我們迎接了近 520 萬名來自世界各地的訪客，並於 2023 年 7 月 1 日錄得超過 25,200 參觀人次，創下單日最高紀錄；而 2023 年 11 月 12 日慶祝 M+ 開幕兩周年當天則錄得逾 22,000 參觀人次。

M+ 一直是各大社群聚會和交流之地。2023 年初，隨着防疫相關的旅遊限制解除、香港重新對外開放之際，我們積極與世界溝通，重新與內地、亞洲以至全球的相關各方建立連繫。

2023 年 3 月，為配合首屆於巴塞爾藝術展香港展會期間舉行的西九文化區藝術週，我們舉辦了「M+ 國際特別參觀」，超過 800 名來自國際博物館界的重要相關人士和文化記者首次來訪 M+。我們備受國際讚譽，並對此引以為傲。逾 200 名文化領袖出席 M+ 國際歡迎晚宴，向設計 M+ 大樓的建築師致意，包括 Herzog & de Meuron 的創始合夥人 Jacques Herzog 和 Pierre de Meuron、高級合夥人 Ascan Mergenthaler、合夥人 Wim Walschap、前香港工作室總監兼現任英國工作室總監蔡培祥，以及現任香港工作室總監伍美儀。而 M+ 歡迎派對則錄得 2,300 名賓客參加。此外，藝術週期間亦舉行了 Prada Frames 專題研討論壇，當中建築師 Jacques Herzog 以「拾得」為題發表演說，好評如潮。

首爾和倫敦的斐列茲藝術博覽會分別於 2023 年 9 月和 10 月舉辦，在此期間，M+ 在這兩大當代藝術節主辦城市舉行了「M+ 在首爾」和「M+ 在倫敦」活動，特別為當地主要相關人士及未來可能捐助本館之人而設，旨在增進跨文化交流。M+ 亦於 2023 年 10 月在倫敦舉行了首場新聞發佈會。

為了就博物館的最佳實務方式交流知識，並與內地藝術社群建立長遠關係，M+ 於 2023 年 9 月籌辦首個交流計劃，約有三十位來自中國內地及澳門的當代藝術博物館及藝術中心代表參加。交流計劃特別安排與第二屆希克獎及第二場 M+ 希克藏品專題展覽「別傳」同期進行。

我們繼續在 M+ 的展廳和展示空間推出別開生面、包羅萬象的展覽和活動，藉此呈現不落窠臼的觀點，並啟發觀者以全新的方式觀看世界。

M+ 為期半年的特別展覽「草間彌生：一九四五年至今」是亞洲最大型的草間彌生回顧展，展覽於 2023 年 5 月開幕，共有超過二十八萬人次參觀。展覽隨後於同年 6 至 10 月移師西班牙畢爾包古根漢美術館展出，吸引超過五十八萬人次參觀，打破該館歷來夏季參觀人數的最高紀錄。此回顧展將於 2024 年巡迴至葡萄牙波爾圖的塞拉爾維斯現代藝術博物館展出，我們為此深感自豪。

Celebrating two years as a new museum of visual culture in Asia with a global perspective, M+ has presented meticulously curated exhibitions and programmes and welcomed approximately 5.2 million visitors from around the world since the museum's opening in November 2021. Its second year of operation saw record-breaking daily visitations of over 25,200 on 1 July 2023 and over 22,000 on the museum's second anniversary on 12 November 2023.

The museum has been a meeting place, a place of exchange, and a gathering place for all our communities. Following the lifting of pandemic-induced travel restrictions and the reopening of Hong Kong in early 2023, we have proactively reached out to the world and reconnected with our stakeholders from mainland China, Asia, and the world.

As part of the first West Kowloon Cultural District Art Week during Art Basel Hong Kong in March 2023, we hosted M+ International Open House, in which over 800 key stakeholders from the international museum community and cultural journalists visited the museum for the first time. We are proud to see the resulting global acclaim. More than 200 cultural leaders attended the M+ International Dinner Reception, which honoured our architects—Jacques Herzog and Pierre de Meuron, the Founding Partners of Herzog & de Meuron; Ascan Mergenthaler, Senior Partner; Wim Walschap, Partner; Edman Choy, the previous Studio Director Hong Kong and current Studio Director UK; and Helen Ng, current Studio Director Hong Kong, while 2,300 guests were recorded at The Party at M+. In addition, a highly acclaimed lecture titled 'Found' by Jacques Herzog was presented as part of Prada Frames during the Art Week.

During Frieze Seoul and Frieze London in September and October 2023 respectively, M+ hosted 'M+ in Seoul' and 'M+ in London' events for its key stakeholders and potential donors in the two major contemporary art fair cities to cultivate cross-cultural exchange. The museum also hosted its first international press event in London in October 2023.

To foster knowledge sharing about best museum practices and build long-term relationships with the arts community in mainland China, M+ hosted the first exchange programme for around thirty representatives from contemporary art museums and art centres in the mainland and Macau in September 2023, to coincide with the second edition of the Sigg Prize and the second major M+ Sigg Collection display, *Another Story*.

今年，我們與長期夥伴香港藝術發展局（藝發局）再度攜手合作，合辦了「徐世琪隆重呈獻：宇宙最強之懸浮者——Lauren O」，這是香港藝術家徐世琪於第 59 屆威尼斯視藝雙年展載譽歸來，在 M+ 舉行的回應展。M+ 與藝發局亦於同年宣佈，楊沛鏗將會代表香港參與第 60 屆威尼斯視藝雙年展，他的展覽由 M+ 的周宛均策劃，凸顯了 M+ 誠然是培育本地藝術策展人才的搖籃。

M+ 呈獻的第二個特別展覽「宋懷桂：藝術先鋒與時尚教母」開創先河，是全球首個以傳奇人物宋懷桂為主題的博物館展覽。宋懷桂塑造了 1980 年代至 2000 年代中國藝術、時尚和流行文化的面貌。從該展覽可見 M+ 在處理跨領域實踐方面尤其得心應手，並以促進文化交流為己任，致力向廣大觀眾宏揚中國當代視覺文化。

Our exhibition and display spaces continued to present powerful perspectives and sparked new ways of seeing the world through our innovative, broad-ranging programme of exhibitions and events.

M+'s six-month Special Exhibition *Yayoi Kusama: 1945 to Now*, the largest retrospective of Yayoi Kusama in Asia outside of Japan, concluded with over 280,000 visitations in May 2023. The exhibition was immediately on tour to the Guggenheim Museum Bilbao in Spain from June to October 2023, and attracted over 586,000 visitors, an attendance record for that museum. We take pride in the retrospective, which will be presented at Serralves Museum of Contemporary Art in Porto, Portugal from March to September 2024.

During the year, we once again collaborated with long-term partner Hong Kong Arts Development Council (HKADC) to co-present *Angela Su proudly presents: Lauren O—The Greatest Levitator in the Polyhedric Cosmos of Time*, the responsive showcase in the museum of the successful presentation by Hong Kong artist Angela Su at the 59th International Art Exhibition of La Biennale di Venezia. M+ and HKADC also announced during the year that Trevor Yeung will present Hong Kong at the 60th International Art Exhibition – La Biennale di Venezia. Yeung's exhibition will be curated by Olivia Chow from M+. This truly underscores M+'s role as an important training ground for local artistic curatorial talents.

M+ staged its second Special Exhibition *Madame Song: Pioneering Art and Fashion in China*, the first-ever museum exhibition in the world dedicated to the legendary Song Huai-Kuei, who shaped the landscape of art, fashion, and popular culture in China from the 1980s to 2000s. It demonstrates the strength of M+'s interdisciplinary practice and its mission to promote cultural exchange, bringing Chinese contemporary visual culture to wider audiences.

“Our exhibition and display spaces continued to present powerful perspectives and sparked new ways of seeing the world through our innovative, broad-ranging programme of exhibitions and events.”

「我們繼續在 M+ 的展廳和展示空間推出別開生面、包羅萬象的展覽和活動，藉此呈現不落窠臼的觀點，並啟發觀者以全新的方式觀看世界。」

希克獎來到第二屆，M+ 在「希克獎 2023」展覽展出六位入圍藝術家的作品。配合 M+ 希克藏品的第二場展覽「M+ 希克藏品：別傳」，兩個展覽交織出獨特的視角，透露中國藝術家如何以匠心獨運的方法應對急速轉型的時代。

2023 年末，M+ 舉行「靛嘔：虹虹虹」展覽，聚焦於日本藝術家靛嘔的創作，展示其 1950 年代至 2000 年代的作品，輔以他與其他激浪派藝術家的精選作品。該展覽是 M+ 全新推出的「包陪麗、渡伸一郎展覽系列」的首展，該系列重點介紹亞洲藝術和視覺文化歷史上舉足輕重的人物和時刻。

流動影像是當代視覺文化中基本而變化多端的核心部分。M+ 流動影像節目一直是我們的策展重心，並於 M+ 戲院、多媒體中心、M+ 幕牆和舞台放映。M+ 與 CHANEL 展開為期三年的夥伴合作關係，即將推出兩個全新項目，包括成立亞洲首個及唯一的「亞洲前衛電影交流庫」，以及新設電影修復計劃「M+ 修復」以保存九部香港經典電影。此外，CHANEL 亦冠名支持「CHANEL 流動影像主策展人」職位，此職位現時由蘇筱琪擔任。

With the second edition of the Sigg Prize 2023 exhibition, M+ brings together works by the six shortlisted artists for the Prize. Alongside *M+ Sigg Collection: Another Story*, the second exhibition of the M+ Sigg Collection, these exhibitions show a unique perspective on how Chinese artists inventively navigate a rapidly changing era.

At the end of 2023, M+ staged *Ay-O: Hong Hong Hong* which highlights the practice of Japanese artist Ay-O. Featuring Ay-O's works from the 1950s to the 2000s and complemented by a selection of Fluxus works by the artist and his collaborators and counterparts, the exhibition inaugurates the new Pao-Watari Exhibition Series of focused monographic presentations dedicated to significant figures and moments in the history of art and visual culture in Asia.

Moving image is a fundamental, dynamic, and core part of contemporary visual culture. M+'s moving image programmes, shown in the M+ Cinema, the Mediatheque, the M+ Facade, and the Grand Stair, continue to be central to our curatorial offerings. Under the museum's three-year partnership with CHANEL, two new endeavours will be realised: the establishment of the Asian Avant-Garde Film Circulation Library, the first and only one of its kind in Asia, and the new film restoration programme 'M+ Restored' to preserve nine Hong Kong cinema classics in addition to supporting a lead curatorial position—titled CHANEL Lead Curator, Moving Image, a role currently taken by Silke Schmickl.

“We will continue to connect people from around the world to the visual culture of our time and build well-being in the community.”

M+ 幕牆以視覺畫面配合 M+ 的節目，加強 M+ 與香港維多利亞港景致的連繫。過去一年，我們呈獻了出自瑞士空間影像藝術先驅皮皮樂迪·里思特之手、由巴塞爾藝術展及瑞銀集團共同支持的 M+ 委約作品《信手不渝》；由台灣藝術家董陽孜與香港媒體藝術家張瀚謙 (h0nh1m) 共同創作、透過演算程式生成的《墨·脈》；還有由印尼藝術家團體特羅拉馬創作的《成長之柱》。

M+ 延續其開放學習平台的角色，樂見策展人、創作人與觀眾不分高低地交流意見，並透過導賞、學校和通達活動，以及專為家庭而設的活動，與社區夥伴建立關係，加深他們對 M+ 藏品和社群的認識。值得一提的是，週五晚上舉行的「M+ 夜不同」設有專題工作坊、音樂演奏與放映會，讓訪客在參觀博物館之餘，也能享受其他有趣體驗。作為「草間彌生：一九四五年至今」的延伸活動，我們與精神健康諮詢委員會的「陪我講」計劃合作，透過欣賞展覽和其他活動，鼓勵大眾探索自我。

The M+ Facade is a visual amplification of M+'s programmes and accentuates the museum's connection with the city's harbour landscape. During the year, we presented *Hand Me Your Trust* by Swiss spatial video art pioneer Pipilotti Rist, commissioned by M+ and supported by Art Basel and UBS; *Ink / Pulse*, an algorithm-driven work created by Taiwanese artist Tong Yang-tze and Hong Kong media artist Chris Cheung (h0nh1m); and *Growing Pillars* by Indonesian artist collective Tromarama.

Wang Jin's *My Bones* (2000) is shown in *M+ Sigg Collection: Another Story* as one of the centrepieces of the exhibition.

M+ continues to be an open learning platform to embrace the exchange of ideas among curators, creators, and audiences irrespective of identity, and build relationships with community partners that deepen both collection and community knowledge through tour, school, and access programmes as well as family-oriented events. In particular, M+ at Night offers Friday evenings of thematic workshops, music performance, and screenings that provide engaging experiences when exploring the museum. As an extension of *Yayoi Kusama: 1945 to Now*, we joined forces with 'Shall We Talk', an initiative by the Advisory Committee on Mental Health to promote self-discovery through exhibition visits and other activities.

M+ 團隊齊心協力，讓更多人接觸和認識視覺文化。我由衷感激這一年間與本館合作過的所有藝術家，讓我們歲首到年終都有饒富趣味與啟發性的節目。全賴贊助商、捐贈者、贊助人、會員及其他支持者的不懈支持，才可取得如斯美滿成果。我誠懇感謝領銜合作夥伴滙豐銀行、主要夥伴 CHANEL，還有各界人士、團體、公司對我們這間公共機構的支持。同事在過去一年竭誠付出、活用創意，與本館同舟共濟，尤其是克服全球疫情大流行期間的種種困難，我在此向你們致謝。過去數月，我們滿懷不捨與離職同事道別，包括前副總監（博物館營運）莊偉思、鄭禧怡、洪立峰、皮力博士、萬希庭和施維麟。他們全都為 M+ 成立與開幕貢獻良多，往後亦繼續是遍佈全球的 M+ 大家庭的一分子。與此同時，歡迎副總監（博物館營運）崔德煒加入管理團隊，還有莊誠安、梁永健、盧馥琴、施而盈及黃立輝加入高級職員團隊。

回顧過去之際，我們亦對未來各種全新可能性充滿期盼。我們會繼續致力讓世界各地人士與我們所處時代的視覺文化產生共鳴，增進社群的福祉。

The M+ team's concerted drive is to bring visual culture to more people. I would like to extend my sincere gratitude for all the artists who worked with us throughout this year, helping to ensure we had a hugely interesting and inspiring programme. All this amazing work cannot be done without the unwavering support of our sponsors, donors, patrons, members, and other supporters. My sincere thanks go to our Lead Partner HSBC, Major Partner CHANEL, and all individuals, institutions, and companies who support us as a public institution. I also would like to thank all of my colleagues for their commitment and ingenuity throughout the year, while navigating the museum through tough times especially during the pandemic. In the past months, we bid farewell to our outgoing colleagues John Wicks as Deputy Director, Museum Operations, Meggy Cheng, Simon Hannaford, Dr Pi Li, Kirstin Mearns, and William Smith, who all contributed tremendously to the launch and opening of M+ and remain part of the worldwide M+ family. I also welcome David Tsui, Deputy Director, Museum Operations, to the management team, alongside Mark Johnson, Roderick Leung, Mavis Lo, Sandy Sze, and Anita Wong, who joined the senior staff team.

As we reflect on the past year, we also look forward to new possibilities for the future and will continue to connect people from around the world to the visual culture of our time and build well-being in the community.

「我們會繼續致力讓世界各地人士與我們所處時代的視覺文化產生共鳴，增進社群的福祉。」

# Madame Song: Pioneering Art and Fashion in China

西展廳 | West Gallery

在世時人稱宋女士的宋懷桂（1937–2006）是 1980 年代至 1990 年代中國藝術、電影、音樂和時尚圈中的傳奇人物。冷戰時代的中國長期與西方世界幾近隔絕，宋懷桂的丈夫是來自保加利亞的壁掛藝術家萬曼（1932–1989），兩人一起擔當起聯繫東西方的橋樑，為中國引入與國際接軌的現代生活方式。特別展覽「宋懷桂：藝術先鋒與時尚教母」展現這位傳奇女性引人入勝的多重身分和事業軌跡，追溯她從 1950 年代到 2000 年代初的人生和創作，以及揭示在中國從過往封閉自守蛻變為現今文化多元的國際化社會的過程中，宋懷桂一直為人忽視和低估的影響。

Song Huai-Kuei (1937–2006), widely known during her lifetime as Madame Song, was a legend in the spheres of Chinese art, film, music, and fashion during the 1980s and 1990s. With her husband, Bulgarian fibre artist Maryn Varbanov (1932–1989), Song helped foster a forward-looking creative scene and cultivated a modern, international lifestyle in China at a time when the country was largely isolated from the rest of the world for much of the Cold War. This exhibition brings to light Madame Song's fascinating multiple identities and professional pursuits. It chronicles her life and practice from the 1950s to the early 2000s and reveals Song's influence on China's transformation into a cosmopolitan and culturally diverse society.

M+ 希克藏品：別傳

「M+ 希克藏品：別傳」是 M+ 希克藏品三次展覽中的第二場，以視覺方式探討 1990 年代至今中國當代藝術的風格和實踐。有別於 M+ 希克藏品首展「從大革命到全球化」中以主流社會背景或按時間順序的論述，是次展覽關注中國 1990 年代急速轉型的社會和經濟發展中，藝術家對文化身分的思考及對新時代的困惑。此展覽展出的作品聚焦於躁動的視覺圖像、不確定的意義、對無常的迷戀，以及對傳統的另類詮釋。

*M+ Sigg Collection: Another Story*, the second of three planned exhibitions of the M+ Sigg Collection, takes a visual approach to examine the styles and practices of contemporary Chinese art from the 1990s to the present. Distinct from the socio-political interpretative framework and chronological narrative of the inaugural exhibition *From Revolution to Globalisation*, *Another Story* surveys how artists reconsidered their cultural

identities and expressed uncertainty during China's rapid modernisation in the 1990s. The exhibition brings together works characterised by overflowing visuals, ambiguous meanings, obsessions with transiency, and engagements with traditional interpretation.

Audiences in Hong Kong were invited into the world of Su's art, which combines her interests in the history of science and somatic experience with her wild imagination through an adapted and site-responsive presentation at M+. The exhibition staged Su's research about Lauren O, an enigmatic figure with the power of levitation who played an instrumental role in the 1960s anti-war movement in the United States. Featuring a collection of her notes and study models, the exhibition illustrated Lauren O's obsession with transformation and levitation.

虹虹虹

包陪麗、渡伸一郎展廳

「愛嘔：虹虹虹」聚焦日本藝術家愛嘔（生於1931年）的創作，他將彩虹這個普世主題延展至各種形態、概念和情境的作品當中。愛嘔分別在二次世界大戰結束後，以及1950年代末至1960年代初以紐約為中心的激浪派運動這兩個時期，發展出獨特的藝術語言。這些經驗使他堅信藝術應盡可能普及大眾。如此反精英主義的思想令愛嘔催生出招牌彩虹圖案，並於過去六十年呈現在無數畫布、雕塑和環境創作之中。M+全新推出的專題展覽系列，重點介紹亞洲藝術和視覺文化歷史上的重要藝術家和時刻，「愛嘔：虹虹虹」為此系列的首個展覽，展出愛嘔於1950年代初至2000年代的創作，同時亦展示其他激浪派藝術家的精選作品。

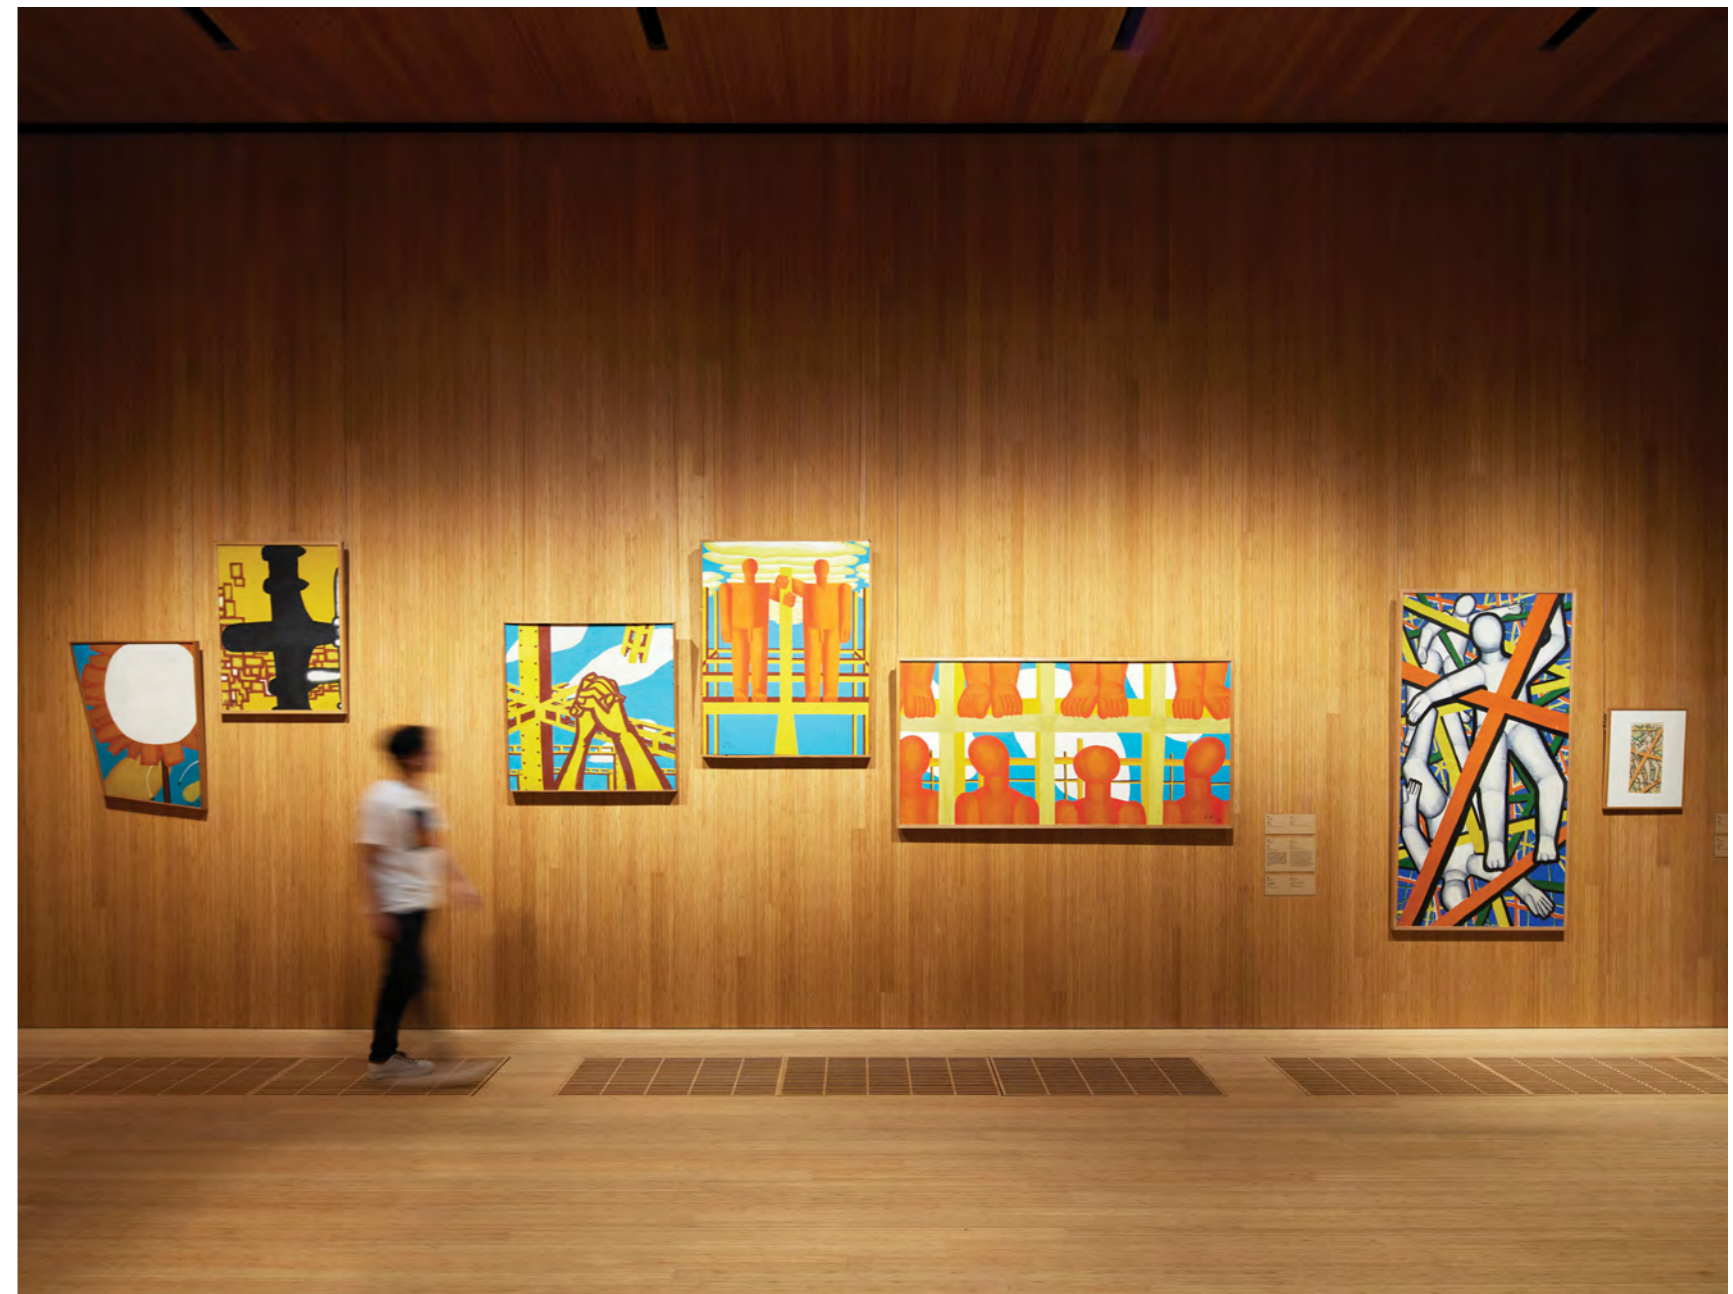

*Ay-O: Hong Hong Hong* highlights the practice of Japanese artist Ay-O (b. 1931), who has explored the universal motif of the rainbow to ever-expanding constellations of forms, ideas, and moods. Ay-O developed his distinct visual language in the immediate aftermath of World War II and later in the milieu of the international movement of Fluxus, centred in New York City in the late 1950s and early 1960s. These experiences shaped his belief that art should be as widely accessible as possible. From this anti-elitist philosophy emerged his signature rainbow patterns, which he has been applying and adapting to numerous canvases, sculptures, and environments over the last six decades. Inaugurating the new M+ series of monographic exhibitions on significant figures and moments in the histories of art and visual culture of Asia, *Ay-O: Hong Hong Hong* features Ay-O's works from the 1950s to the 2000s, complemented by a selection of Fluxus works by the artist and his compatriots.

## 陳佩之：智慧三女神

陳佩之「呼吸者」系列的《智慧三女神》(2015)，探討在三維空間裏體驗流動影像的概念。這項裝置作品借助工業用電風扇，使三個人形膨脹起來，隨風舞動，搖曳生姿。當尼龍織物被充氣，這些人形便會變得飽滿，其動作翻來覆去，令人看得為之入迷，它們像是幾個互相推擠的人，不斷嘗試在分歧對立與和諧一致之間共存。此作回應了古今藝術家一再探問的難題：雕塑一向被視為靜態而固定不變的藝術形式，怎樣才可以在當中表現動態？陳佩之著迷於動畫和流動影像的領域，他從流行文化、哲學和歷史文本汲取靈感，創作單頻道錄像、錄像投影和多媒體項目，並以此為人熟悉。

*Triosophia* (2015) from Paul Chan's *Breathers* series explores the idea that a moving image can be experienced in three dimensions. The installation features three billowing figures dancing and swaying with the use of industrial fans. As the nylon fabric forms fill with air, the figures swell with mesmerising and repetitive movements that resemble people pushing and pulling one another. They seem to be constantly trying to coexist between discord and harmony. The work addresses age old questions about how artists can depict movement in sculpture, a form usually considered static and permanent. Often engaged with animation and moving image, Chan is known for his single channel videos, projections, and multimedia projects that draw on popular culture, philosophy, and historical narratives.

《錯位》(2014–2016) 是越南藝術家裴公慶創作的大型木雕，探索越南的文化流動性和遭戰爭蹂躪的複雜過去。《錯位》由越南中部會安的工匠以波羅蜜舊木和新木歷時兩年雕造而成，波羅蜜是越南土生樹木，以堅硬和用途廣泛著稱。《錯位》充滿中式元素，如梅枝、塔狀結構和竹枝，另外亦有美軍頭盔、軍服、斧頭和槍械，暗指近代的血腥歷史。此作品是裴公慶就血緣和家族記憶深富感染力的陳述，並表彰人在掙扎中展現的堅韌。

*Dislocate* (2014–2016) is a large-scale wooden sculpture by Vietnamese artist Bùi Công Khánh that explores Vietnam's cultural fluidity and its complex war-torn past. Made from aged and new wood of the jackfruit tree—a local plant that is valued in Vietnam for its strength and versatility—*Dislocate* was painstakingly hand-carved over a two-year period by local artisans in Hội An in central Vietnam. The work is adorned with Chinese motifs such as plum blossom branches, pagoda-like structures, and bamboo sprigs, as well as references to a recent and more violent past, such as American G.I. helmets, military garments, hand axes, and guns. *Dislocate* is a powerful statement on Bùi's ancestry and family memories, and recognition of human resilience in moments of struggle.

皮皮樂迪 · 里思特《信手不渝》

皮皮樂迪·里思特的場域特定作品《信手不渝》置身於香港的天際線之間，並回應當中的璀璨燈光。里思特以不同尺度探索手的概念——小至人體尺寸，大至摩天大廈。一雙雙手以不同速度於物件間穿梭，引領觀眾回顧香港具有歷史意義的設計及建築，同時向捏塑、擺放和創作這些隨處可見事物的巧手致敬。此作糅合里思特馳名的幻彩調色效果和靈活自由的鏡頭運用，熱情讚頌靠雙手成就這座城市以至整個世界的芸芸眾生。

《信手不渝》由 M+ 委約創作，巴塞爾藝術展及瑞銀集團共同支持。

A site specific work by Pipilotti Rist, *Hand Me Your Trust* is set within and responds to Hong Kong's illuminated skyline. Rist employs images of hands at a variety of different scales, from an intimate human scale to one that is expanded to the size of a building. As the hands weave and chart a path around various objects at varying velocities, Rist offers a meditation on Hong Kong's iconic design and architecture heritage as well as on the individual hands that sculpted, placed, and forged these ubiquitous forms into being. Incorporating the artist's typically vivid colour palettes and freeform camera work, *Hand Me Your Trust* presents an energetic celebration of the many people that made the city—and our world.

*Hand Me Your Trust* is commissioned by M+ and supported by Art Basel and UBS.

董陽孜、張瀚謙《墨·脈》

首個 M+ 幕牆雙藝術家委約作品《墨·脈》，由台灣藝術家董陽孜與香港媒體藝術家張瀚謙 (h0nh1m) 共同創作。張瀚謙以董陽孜《無聲的樂章》系列的字形作品為靈感與基礎，並有感於她在輕重疾徐的運筆過程中所留下的飛白及濃淡粗細不同的筆跡，與音樂流動的節奏韻律一脈相通，於是去尋覓筆墨間猶如心臟跳動、血液流動、細胞分裂以及神經脈搏的韻律。在此跨越世代、領域及媒介的生動對話之中，提出了多重欣賞書法的方式，好讓大家吸收其能量、閱讀其哲思，並感受水墨所建構的精神世界。

The first dual artist commission for the M+ Facade, *Ink | Pulse* is a collaboration between acclaimed Taiwanese calligraphy artist Tong Yang Tze and Hong Kong media artist Chris Cheung (h0nh1m). Cheung adapted Tong's masterful strokes, dots, and markings from her *Silent Music* series of ink artworks into pulsating apparitions and movements, as though sight reading the artist's soundless graphical score. This live, generative work responds to ink's ability to evolve in portraying Tong's ink strokes as the heart-like vessel for cell division, blood circulation, and the nervous system. *Ink | Pulse* pays tribute to the lively dialogue between generations, artistic practices, and mediums, offering an ever-changing view of ink as a form of energy, philosophy, and spiritual universe.

特羅拉馬《成長之柱》

特羅拉馬透過《成長之柱》探討紀念碑在當代社會的象徵意義、擁有權和價值。這個藝術家團體從各自的個人檔案中挑選出不同物件、錄影片段和圖像，如家庭照片、卡式錄音帶和書本，並利用它們構成《成長之柱》中的影像畫面，再將童年時代家中所藏的物件製成動畫，添加到畫面之上。他們也以峇里島傳統用於洗滌身心靈的「梅魯卡特」儀式為靈感。此作在 M+ 幕牆上展示，由此創造出一個模稜兩可的空間，讓個人與社會、私人與公共的概念互相碰撞。特羅拉馬的成員包括菲比·貝比羅斯、赫伯特·漢斯和路迪·哈圖瓏拉。

With *Growing Pillars*, Tromarama questions the meaning, ownership, and value of monuments in contemporary society. The artist collective selected objects, video clips, and images from their personal archives, such as family photos, cassettes, and books, to compose a filmic movement overlaid by animated objects from their childhood homes. Aspects of the work were inspired by a trip to Bali for *melukat*, a traditional practice intended to purify the body, mind, and soul. *Growing Pillars* is infused with emotion, care, and humour. Presented on the M+ Facade, it creates an ambiguous space where the personal and the societal, the private and the public collide. Tromarama comprises Febie Babyrose, Herbert Hans, and Ruddy Hatumena.

M+  
夜不同

傍晚時分，由藝術家、設計師等人主導一連串創意活動，使博物館生機盎然。首次「M+ 夜不同」的靈感源自廣東歌的黃金時代和「香港：此地彼方」展覽。廣東歌在 1980 年代達至鼎盛時期，因此成為了跨文化現象，促使設計、時裝和電影領域在那一時期發展出多姿多彩的視覺形象。一整夜裏有講座、導賞團、放映和創意工作坊，最後更有現場 DJ 在猶如的士高舞會的環境中打碟。

The museum comes alive in the evening with creative activities led by artists, designers, and more. The golden era of Cantopop and the exhibition *Hong Kong: Here and Beyond* provided the inspiration for one edition of M+ at Night. At its peak in the 1980s, Cantopop became a transcultural phenomenon and fostered a period of rich visual identity stretching across the fields of design, fashion, and film. A night of talks, tours, screenings, and creative workshops culminated in a disco inspired atmosphere with a live DJ.

過去一年，M+ 商店通過創新合作、創意設計和想法新穎的產品，展現視覺文化的魅力。團隊以特別展覽「宋懷桂：藝術先鋒與時尚教母」為靈感，構思融合傳統圖案和當代風格的商品，而展覽「鬚嘔：虹虹虹」的商品系列則以彩虹元素貫穿。M+ 零售團隊繼續開設備受遊客歡迎的期間限定店，與時裝品牌上海灘和陳幼堅合作，提供實體店購物體驗。

今年 M+ 小舖誕生，以迎接一眾年輕或童心未泯的訪客。屢獲殊榮的設計工作室 Thonik 曾為 M+ 設計視覺形象，這次他們則利用意念前衛的可愛生物「卡尼團」，為 M+ 小舖創建了適合和吸引兒童的品牌形象。這些色彩鮮明的斑點，如同抽象畫家的筆觸，令人想起戰後法國藝術運動「斑點派」的童真風格。卡尼團進駐 M+ 小舖，同時點綴 M+ 為小訪客們推出的新產品系列，邀請大眾同樂。

The M+ Retail team continued its visitor-favourite pop-up programme with in-store experiences highlighting Shanghai Tang and Alan Chan.

The young and the young-at-heart discovered the new M+ Kids Shop this year. Thonik, the award-winning design studio behind the M+ visual identity, created the kid-friendly branding featuring cuddly creatures with avant-garde roots. The personable blots of colour, reminiscent of an abstract painter's mark, evoke the childlike style of the post-war French art movement known as Tachism. Extending a playful invitation to all, these creatures inhabit the shop and adorn several of the newly launched product lines for M+'s youngest visitors.

M+ is immensely grateful for the generosity from the donors, sponsors, councils, patrons, and members. As a self financing statutory body that does not receive government funding, support from individuals and organisations is crucial to the development of M+. More than 12,000 individuals and organisations have provided instrumental funding to our exhibitions, programmes, acquisitions, and operations as the museum steps into its second anniversary.

In March 2023, M+ named its Courtyard Galleries as the Cissy Pui Lai Pao and Shinichiro Watari Galleries in recognition of the generous donation from Cissy Pao and her husband Shinichiro Watari. The inaugural exhibition of M+ s Pao Watari Exhibition Series, *Ay O: Hong Hong Hong*, opened in December 2023.
