

Main Hall

Iconic + Spectacular

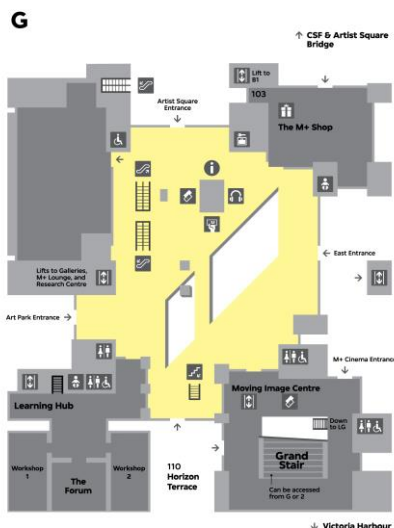

The museum's iconic centrepiece is a stunning scene. Located next to the main entrance, natural light streams in, extending to the adjoining Horizon Terrace, a covered outdoor venue featuring 300-degree harbour views. Whether it's catering to a large crowd or dazzling an intimate private audience, the architecture and ambience combined create an event unlike any other.

Learning Hub

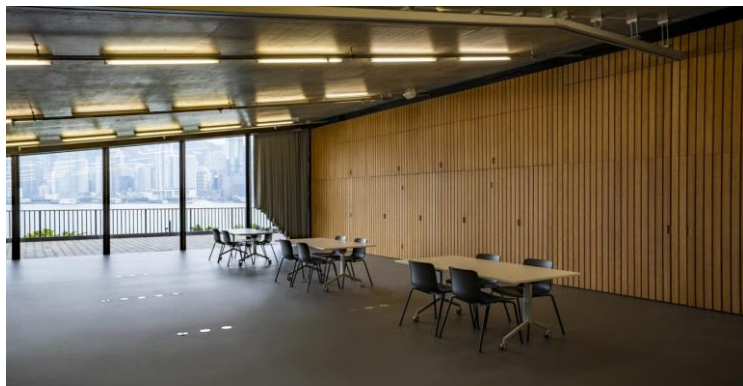

Inspired + Engaging

A choice of intimate spaces for those looking to host smaller groups, The Forum and its adjoining Workshops feature captivating views of the Victoria Harbour and can be appropriately styled for panel discussions, team events, or wedding ceremonies. The smaller seminar rooms also provide flexibility with movable partitions, particularly useful for those that require break-out rooms. All of these spaces offer privacy with natural lighting, floor-to-ceiling windows, and uninterrupted views.

Horizon Terrace

Scenic + Sweeping

Overlooking the city's most notable landmarks, the panoramic view from the Horizon Terrace never fails to impress. Sweeping views from the West Kowloon Art Park extends across the Victoria Harbour to the city's mesmerising skyline. Watch the sunset and "A Symphony of Lights" - Hong Kong's daily light and sound spectacular from this amazing spot. Enjoy a special moment at what is arguably the best view in town.

M+ Members' Lounge

Striking + Light

The M+ Members' Lounge brings the living experience of Hong Kong visual culture to the events. Combining sweeping views of Hong Kong and Kowloon, unique aesthetics, and five-star service, the lounge is designed to be as dynamic as the city itself, with distinctive finishes and furniture by commissioned designers that will change every few years. The inaugural designer is renowned architect, artist, and collector William Lim. Guests can dine, drink, socialise, and relax in custom furnishings that Lim envisioned in part as a sophisticated response to the vernacular aesthetics of classic Hong Kong *cha chaan teng* eateries.
